## V. Old Business

Tri-State is still scheduled for September 29, 2021 through October 1, 2021 at Tybee Island. Captain Sweat would like to make the payment option on the GPA website easier to access. The cost to put a link directly to PayPal from our website will be explored. He will also add the itinerary and speaker information to the web site. He reminded that attendance is included with your GPA membership, and tuition is \$100 for all other attendees.

Brenda Nix said the GBI's contribution to the conference needs to be confirmed. She also mentioned that in the past the GBI was allowed to invite an unlimited number of attendees to the conference free of charge. Captain Sweet said he will speak with Joshua Alford about the contribution but the unlimited number of attendees would likely not be extended to this conference. He pointed out the attendance is included for GPA members and all of the GBI examiners are planning on becoming active members of the GPA, so their tuition will be covered as an active member.

## VI. New Business

Captain Sweat asked for recommendations for topics regarding training for the next scheduled meeting. A question was raised about the comparison of directed lies versus probable lies. After a brief explanation, it was decided that this will be the topic for training during the next meeting and Captain Sweat will facilitate the instruction.
